Easy Patch

Easy Patch is a new innovation in embroidery fabric for creating commercial grade patches in three easy steps, all from just one commercial or home embroidery machine!

Step 1 - Stitch your design onto our Easy Patch fabric.

Step 2 - Cut to the edge of the border using scissors then tear out the completed patch.

Step 3 - Use a heat source around the edges to make a perfect edge.

Thermal adhesive comes in 18"x 2yd rolls**\$14.99** ea

Apply our thermal adhesive to the back and press onto your garment, instructions on-line.

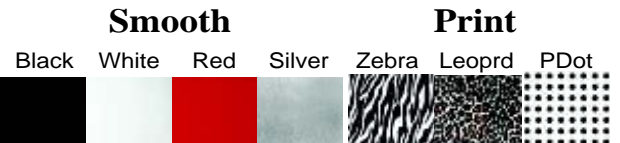

Easy Patch Twill
